

MEMO FOR RECORD

RE JURI RAUS

1. On 6 June at 0950 JURI called to indicate following:

- a. needs cards.....I told him to go out and buy some of similar size and to give you bill for reimbursement
- b. re Heine....The FBI is on this date contacting the Estonian who works for the AEC (the one who was traced) and who reported his Heine contact to the AEC Security officer.
- c. re HEINE....He should be in Cleveland. Subject may call the man in Minneapolis to warn him of Heine. Subject hopes that Heine will be picked up and tossed out soon so he has no added opportunity to visit Estonian Units. Subject does not feel that the FBI will learn anything by following him about since Heine should know by this time that he is under suspicion; this from the idle talk making the rounds in NTC which he must have heard. Knowing he is under suspicion and if really KGB Heine will make no further ops contacts if in fact he was to have made any. Of course he can continue his trip and pick up bio data etc on Ests.
- d. re HEINE...Heine was in USA a year or so ago and visited NY and NJ. While in NJ he visited

Priit PARMING  
473 Lukmann Drive  
New Milford, New Jersey

who was an outstanding partisan activist and who made a tape recording of Heine's entire story, in Estonian language. The current Heine story agrees with that given PARMING.

- e. re Heine....The "Spirit and the Change (Vain ja Ahelae) written in Estonian by Enn VUURLAIV of Canada is a book on HEINE's experiences.

2. I told Subject I appreciated his call and that he should call during the next couple of weeks whenever he had something he felt should be reported immediately.
